Dear Neighbor,

Our efforts to make Von Ormy a city are progressing very well. This past week we met with and received the public endorsement of County Judge Nelson Wolff and County Commissioner "Chico" Rodriguez. We also were visited by reporters from the Express-News and San Antonio Current. You can expect to see long articles on Von Ormy in the Current this Wednesday and in the Express-News in August. Additionally, our petition has been signed by **double** the number we need. This means that we are now able to demonstrate the clear consensus in Von Ormy in favor of forming our own city.

Originally we planned on forming a two square mile city, but after receiving overwhelming support from the residents outside of the original two square mile area, we will be attempting to form a five square mile city. All that remains to do before we can submit our petition to the City of San Antonio is survey our proposed city limits. We have solicited bids from a handful of engineering firms and we expect the estimates to range from \$2,000.00 to \$8,000.00.

We now need your financial assistance to complete this task, so that we may proceed without delay. We suggest a contribution of \$100.00 per household, but please send whatever you can, whether it is larger or smaller. Make checks payable to "CIVO" and mail them to:

Our next public meeting will be on Wednesday July 19<sup>th</sup>, at 7 PM, in the Sacred Heart Catholic Church CCD Building located at 13466 I-35 South. At this meeting we will announce the results of this letter campaign, and if necessary, we will be planning further fundraisers. We will also have a map of the proposed city limits, announce further developments and endorsements and hope to have t-shirts for sale.

Thank you for your contribution. The future of our community depends on it.

Sincerely,

Art Martinez de Vara
